

**DIRECTIONS FOR NB 1 for the first semester (40 points):**

The second page of this document is your RUBRIC. It needs to be printed and should be the first paper in your notebook.

In addition to the RUBRIC, I have prepared a listing of every assignment that needs to be in your notebook for CW/HW by Student Portal date, as well as a list I made of all Whiteboards that should be in your notebook. The required whiteboards have been grouped by week so you can see how I counted them.

**THE ONLY PAGE YOU PRINT  
FROM THIS DOCUMENT IS

## Journals

This is the same total as the Whiteboards. **Here is a help!!!!!!**

1. If you have been absent a lot or just didn't write journals, you could easily create your missing journals by going through the lesson for each day in the Whiteboard File. Summarize what is there. Provide one or more examples as they appear in the whiteboard file.
2. Include "**how to's**". They bullet-proof journals so that none will be counted as "bad". If you do as I suggest, I promise that you will not lose journal points for any journal written this way!!!
